Character & Discipline

COURSE DESCRIPTION: This a 'kitchen table' course, to be imparted and absorbed during your time with us. It will involve issues of integrity, honor, respect, work ethic, financial probity, protocols and standards for personal relationships. Discipline will steer us towards 'self government' which is a strong biblical principle, and lead us from good decisions into lifelong habits which will be able 'to save our lives.'

Church Planting

COURSE DESCRIPTION: The basic objective of our time together is to train and release Church Planters - people to build the Kingdom where it doesn't exist. We will look at Bible models, current models, but above all seek to discern what Holy Spirit is saying to us individually about our own commission.

Covenant & Community

COURSE DESCRIPTION: this course will be both kitchen table and classroom. We will look at Covenants in the Bible, both from God to Man and also between us as God's people. What is a covenant? Is it always for life? Is there a way out? What's the point of covenant and is it important? Are there different kinds of covenant? What are the standards for covenant? When it comes to Community, we will seek to work out in daily life and routines our commitments to God and each other. Self sacrificing love is the basis. Community is a huge human void in today's world and we must learn to incarnate this ideal.

Discerning Life's Calling

COURSE DESCRIPTION: From day one we will be working and praying with you towards the day of release into your life's calling. We will discover your gift set, what it is God has put in your heart to do, where He is calling you to do it and who He is calling you to do it with. We will strongly steer towards: 'Say Amen and make a Plan.'

Grace

COURSE DESCRIPTION: An 'amazing' subject! Again this is taught and caught and lived out! Is it cheap? Does it turn a blind eye? How much is too much? Is it a moral scandal? What is the difference between 'law' and 'grace?' The revelation and impartation of Grace will change your life.
